

FREIGHT
cheaper . faster . better

How much time do you spend shopping deals, negotiating freight rates, finding the best carrier, getting the shortest road days, and analyzing your freight bills? If you don't have a full-time person doing this, then you're spending way too much time and money on your freight.

We have some fantastic news for you!

HFIA and PROFITfreight have partnered to instantly lower your freight expenses. Together we form the industry's largest buying group for freight. As a freight buying group, we not only put massive buying power behind your freight purchases, we also put more actual muscle into it.

Let us do all the work! Our freight experts will review your account on an individual basis. We will provide you with expert advice on ways to maximize your freight savings potential with their carriers.

- **Cheaper**—meet or beat your gross margin goals by lowering your freight costs. PROFITfreight was able to save over \$40,000 annually for several of their clients.
- **Faster**—work with the most reputable, nationwide carriers in the industry who assure shorter road days and outstanding customer service.
- **Better**—a full-time staff that will assist you in making your freight process flawless
